WELCOME TO 6G ENERGY!

We are committed to delivering you seamless and innovative solar solutions, making clean energy more accessible and efficient. With a focus on quality and reliability, we ensure a smooth transition to a sustainable future.

Why 6G Energy

WE PROVIDE FUTURE OF ENERGY

As a leading solar energy company, we specialize in designing, installing, and maintaining state-of-the-art solar panel systems for residential, commercial, and industrial properties.

With years of expertise in solar technology, our highly skilled professionals ensure that clients receive reliable, efficient, and cost-effective solar solutions tailored to their unique needs.

Our commitment to quality and customer satisfaction is reflected in every project we undertake.

From the initial consultation to post-installation support, we work closely with our clients, providing personalized guidance, transparent communication, and exceptional service at every step.

Chairman Message

At 6G Energy, we are not just redefining how energy is produced—we are transforming the way the world thinks about power. Solar energy is more than just a solution; it is the future. Our mission is to bring cutting-edge technology and reliable solar solutions to every customer, making clean, renewable energy accessible and seamlessly integrated into everyday life.

As we move forward, our focus remains on delivering sustainable energy solutions that not only reduce costs but also contribute to a cleaner, greener planet. With each project, we strive to provide innovative, tailor-made solutions that meet our clients' unique needs while creating a lasting, positive impact on the environment.

Thank you for trusting 6G Energy. Together, we are powering a brighter future—one solar panel at a time.

Regards,
Liaqat Ali

ABOUT COMPANY

EMPOWERING YOU WITH CLEAN ENERGY.

At 6G Energy, we are at the forefront of the solar revolution, pioneering innovative energy solutions for a sustainable tomorrow. With a passion for environmental responsibility, cutting-edge technology, and a commitment to excellence, we empower individuals and businesses to embrace clean energy. Our team of experts is dedicated to providing seamless integration of solar solutions, ensuring efficiency and reliability. Join us on the journey towards a brighter, greener future with 6G Energy – where the power of the sun meets the power of progress, transforming the way we live and work for generations to come.

Our Mission

we are committed to delivering advanced solar technology integrated with smart energy solutions. Our mission is to enhance energy efficiency, reduce carbon footprints, and make renewable energy accessible to all. Through innovation, customer-centric services, and sustainable practices, we aim to lead the transition toward a cleaner and smarter energy future.

STRATEGIC
GROWTH

HOW WE WORK

01

Survey:

Evaluate site, consider shading, check electrical compatibility, analyze energy usage, local regulations, assess budget alternatives, and create a solid solar power roadmap.

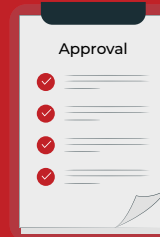

02

Design:

In the design phase, the solar system layout is created, specifying panel placement, electrical connections, and ensuring efficiency and compliance with local regulations.

03

Approval:

Obtain necessary permits and approvals from local authorities to ensure compliance with building codes, zoning regulations, and environmental requirements.

04

Project Management:

Coordinate and schedule all aspects of the installation, ensuring timely progress, resource allocation, and adherence to project timelines.

05

Installation:

Implement the designed solar system on-site, including panel mounting and connection to the electrical grid.

06

Commissioning & Testing:

Verify the functionality of the installed system, conduct tests, and ensure that the solar installation is operating efficiently and safely.

We are dedicated to delivering high-quality solar solutions that maximize efficiency and sustainability. Our process ensures seamless execution, from initial survey and design to final installation and Commissioning.

With a focus on compliance, safety, and cutting-edge technology, we guarantee reliable and long-lasting performance. Our expert team manages every aspect with precision, ensuring a hassle-free experience for you.

Switching to solar not only reduces electricity costs but also contributes to a greener planet. Take the first step towards clean energy today and enjoy the benefits of solar power!"

OUR SERVICES

SUN-POWERED SOLUTIONS FOR A SUSTAINABLE PAKISTAN.

At 6G Energy, we are dedicated to providing sustainable and renewable energy solutions to empower individuals, businesses, and communities.

With a passion for harnessing the power of the sun, we strive to make a positive impact on the environment while helping our clients reduce their carbon footprint and energy costs.

OUR SOLUTIONS

We offer a comprehensive range of solar energy solutions, including grid-tied, off-grid, hybrid, and agricultural systems, designed to cater to diverse energy needs. Whether it's reducing electricity costs, ensuring energy independence, or optimizing power for agricultural operations, our solutions are built for efficiency, reliability, and long-term sustainability. With cutting-edge technology and expert guidance, we help our clients seamlessly transition to clean, renewable energy.

BOARD OF DIRECTORS

We're committed to strategic growth, innovation, and sustainability, ensuring the delivery of reliable and efficient solar solutions.

"EMPOWERING A SUSTAINABLE FUTURE THROUGH INNOVATION, EXCELLENCE, AND CLEAN ENERGY SOLUTIONS."

MEET THE TEAM

Our team is driven by innovation, expertise, and a commitment to sustainability. We work together to deliver reliable and efficient solar solutions, making clean energy more accessible for everyone. With a shared vision for a greener future, we are dedicated to powering progress through renewable energy.

OUR PROJECTS

we take pride in delivering high-performance, sustainable energy solutions tailored to residential, commercial, and industrial needs. Our completed projects stand as a testament to our commitment to **innovation, efficiency, and environmental responsibility**.

From large-scale solar farms to smart rooftop installations, our expertise ensures every project maximizes energy output, reduces costs, and contributes to a cleaner planet. With **cutting-edge technology and seamless execution**, we have successfully empowered countless homes and businesses with reliable, renewable energy solutions.

OUR ACHIEVEMENTS INCLUDE:

- ✓ Successfully installed high-efficiency solar systems across diverse sectors.
- ✓ Integrated AI-powered energy management solutions and inspections for maximum savings.
- ✓ Helped clients achieve energy independence and lower carbon footprints.
- ✓ Delivered customized structures as per required solutions with unmatched service and support.

OUR PROJECTS Highlights

**ZEPHYR POWER LIMITED 50MW
WIND POWER PLANT GHARO,
SINDH**

System Size: 80kW
Panels Brand: Phono Solar 585 W
Inverter Brand: Huawei 50kW x 2
Structure: Aluminium
Roof Mounted with Ballast

**PAK TOWER, RANGE ROAD
RAWALPINDI**

System Size: 50kW
Panels Brand: Longi Himo-6 585 W
Inverter Brand: Growatt 50kW
Structure Type: Customized H-Beam

**LAKESIDE ENERGY LIMITED
50MW WIND POWER PLANT**

System Size: 105kW
Panels Brand: Trina 610 W
Inverter Brand: Huawei 50kW Each
Structure: Aluminium
Roof Mounted with Ballast

**GILGIT BALTISTAN HOUSE,
ISLAMABAD**

System Size: 150kW
Panels Brand: Longi-Himo 6 585 W
Inverter Brand: Fox 125kW
Structure: Customized H-Beam

**AMJAD HASSAN COLD STORAGE
LAHORE**

System Size: 163kW
Panels Brand: Trina 545 W
Inverter Brand: Fox 100kW + 25kW * 2
Structure: GI Roof Mounted with Ballast

**KBK ENTERPRISES
FAISALABAD**

System Size: 250kW
Panels Brand: Longi 545 W
Inverter Brand: Huawei 115KTL * 2
Structure: GI Roof Mounted with Ballast

GIBBS PAINT 350KW

System Size: 350kW

Panels Brand: Jinko 585 W

Inverter Brand: Huawei 100kW * 3

Structure Type: GI Roof Mounted with Ballast

BIG BIRDS HEAD OFFICE MUSLIM TOWN, LAHORE

System Size: 60 kW

Panels Brand: Longi 580 W

Inverter Brand: Solis 60 kW

Structure Type: Aluminium Railing

NLC WAGAH

System Size: 120kW

Panels Brand: JA 545 W

Inverter Brand: Solis 60kW * 2

Structure: Ground Mounted GI with Piling

NOMAN COLD STORAGE DIPALPUR OKARA

System Size: 820kW

Panels Brand: JA 585 W

Inverter Brand: Huawei 125kW * 7

Structure: GI Roof Mounted with Ballast

W-E APPAREL

System Size: 120 kW

Panels Brand: Longi 550 W

Inverter Brand: Huawei 100kW + 50kW

Structure: GI Roof Mounted

GARRISAN OFFICE MESS WAH CANTT

System Size: 75kW

Panels Brand: Canadian 585 W

Structure: Ground Mounted GI with Piling

Residential Projects

At 6G Energy, we provide smart and efficient residential solar solutions designed to reduce energy costs and promote sustainability.

Our tailored systems maximize power generation, ensuring long-term savings and energy independence. With seamless installation and advanced technology, we make the transition to clean energy effortless for homeowners.

To showcase our residential projects, we use high-quality images, detailed case studies, and customer testimonials highlighting system performance, energy savings, and environmental impact.

Interactive before-and-after comparisons, project statistics, and video walkthroughs help demonstrate the value and effectiveness of our solutions. By integrating these into our company profile, website, and marketing materials, we provide potential customers with a clear insight into our expertise and success in delivering top-tier solar solutions.
